

**A Celebration of Family
With Love, Hope, and Gratitude
Easter Sunday
April 12, 2020
3 p.m.**

Dear Residents, Families, Friends and Staff,

Easter Sunday is one of our most cherished holidays. On this day, our home is typically filled with families who are visiting and uniting with their loved ones. For many, Easter Sunday is a celebratory day of resurrection and life – a symbol of hope for the world.

While our current situation certainly limits our ability to be physically near to those we love and cherish, it does not lessen our desire to express our love, gratitude, and most importantly: **HOPE**. Today, we stand as one united family, with a mission to protect each other at all costs.

To this end, we are inviting those who wish to do so, to join us on Easter Sunday at 3 p.m., and take a moment to recite aloud or say in silence a special renewal intention with our staff and your loved one.

A Special Intention in Celebration of Family and Renewal

On this special day set aside for celebrating life and renewal, we thank You, God for making all things new. Thank You for setting a plan for each of us and thank You for always making a way for us.

We ask that You renew our hearts, minds, and lives, for the days ahead. We pray that You will abide with us. Keep Your words of truth planted firm within us and help us to keep focused on what is pure and right, give us the power to be obedient to Your word.

Help us to trust You and only hear Your voice when doubt or fear descends upon us. Please remind us we are safe with You and that Your purposes and plans will never fail.

Shine Your light in us, through us, over us. May we always make a difference in this world, for Your glory and purposes. Help us to embrace Your peace so that we may bring Your hope to a world that so desperately needs Your presence and healing.

Thank You for the gift of family and friends and please walk with us on the spiritual journey You have set before us.

As we enter the season of Spring, may the spirit of renewed life fill your hearts and your home. Thank you, for your support and the opportunity to care for your loved one.
